**A:** Worshipping the idols of foreign nations other than the true God of Israel had been the chief cause of destruction of the Temple and Israel's captivity and deportation to Babylon. The foreigners desired to mix their religions with Israel's faith in Yahweh (syncretism), and helping to rebuild the Temple would have given them some claim to it. The Jews rightly discerned that they should avoid any form of a mixed religion, and that the offer for help had sabotage as its goal. The next verses in the chapter, 4-5, confirmed the malicious intent of the offer when it describes how the outsiders set out to discourage the builders and make them afraid. This ultimately resulted in a 16 year delay.

### What Makes Christianity Different?

**Teacher: Daniel Lee**  
When the FBI are trained to identify counterfeit money, they first spend a lot of time becoming acquainted with the "real McCoy" – authentic examples of real money, and then they have an easier time identifying fakes. In this class, we will look at the key doctrines of the Christian faith, and point out differences with those of other religions and cults. While this class is not a seminary-level course on comparative religions, and nor will it give equal time to all religions with Christianity as if they are actually equal in validity, it will highlight differences between Christianity and other faiths you may encounter in the GTA (Islam, Buddhism, Hinduism, Judaism, Mormonism, etc.). Knowing a bit more about how your friend's faith differs from the truth will help you in your witness.

### Psalms (1) – Analysed and Applied

**Teacher: Rev. Ted Tham**

As one of the greatest collections of songs, prayers, and poetry, the Book of Psalms expresses the deepest passions of humanity. In these pages we can hear the psalmist's desperate cry in the midst of despair as well as his ecstatic praise of his Provider and Comforter. We can hear him pouring out his soul in confession but also bubbling over with joy. The Psalms lead us through the valleys and peaks of human experience, but in the end they guide us to the praise of our loving Creator.

As we go through the book of Psalms, chapter by chapter and verse by verse, we will both use our heads to analyse it and our hearts to apply it to our lives. Half our time each Sunday will be spent studying the text, and the other half in the ancient practice of *Lectio Divina* (Latin for "divine reading"). Come join us for a weekly oasis in the desert of life; a haven of rest in the chaos and storm of your week!

### Foundations: Core Truth to Build Your Life On

**Teacher: Deacon Minh Tran**

The most important decision a person makes in life is the decision to trust Jesus Christ as Savior and Lord. This class examines basic beliefs in areas such as Trinity, the Bible, salvation, baptism, the Lord's Supper and the responsibilities of an individual believer. When you complete the Foundations class, you will have a better understanding of what it means to be a Christian and a Baptist church member. This class is suitable for new believers, and is required for baptismal candidates and those who would like to join NTCBC as a member.

### Questions and Answers: available upon request

Are you new to the Christian faith? Do you have some questions about Christ, the Bible, Church, etc.? We'd be glad to help you search for the answers. Simply go to the Welcome Desk in the gym after the service and let us know.
